Epworth HealthCare GP Liaison Services

Who we are

The Epworth GP Liaison team serves as the main contact for GPs and practice teams, fostering collaboration between Epworth, its specialists, and GPs to enhance patient care.

What we offer

GP CPD Education & practice visits

Epworth is dedicated to providing a high-quality program of RACGP accredited CPD education for GPs in line with the 2026 - 2028 triennium guidelines.

GP Liaison offer CPD accredited practice visits or informal meet & greets. All education is tailored for practices through topics and/or specialties that are selected by your team. Sessions are held face to face where possible & catering is provided. We work with the Practice Manager or GP education lead to arrange the day/time that best suits the practice.

Communication

Epworth GP Liaison is the main point of contact for GPs when navigating Epworth hospital services and connecting with specialists. Our team is committed to offering regular news, updates on service information, and details about upcoming events.
